

## BOARD UPDATE

June 26, 2020

Last night, Thursday, June 25, the Board met to discuss the next steps we are taking to begin to meet in the building once again.

The direction we are receiving from the BIC advises us that a church our size should not open before Labour Day. Lots of discussion happened at our June meeting and it is on our agenda for our July meeting where we will decide a date for opening.

"In-home watch parties" are allowed if people are comfortable to do so AS LONG AS guidelines are followed. You can find these guidelines at [www.saublechurch.ca/watch](http://www.saublechurch.ca/watch)

A few of our board members will look specifically at COVID protocols to guide us to a safe reopening when the time is right.

We understand that there are some that would like to open as soon as possible. There are also others that think opening too soon is unrealistic. We are diligently praying, seeking God's direction, being discerning and doing what we can to serve our community the best way we can. We want to be wise in setting timelines and are working hand in hand with our denomination head offices to do so.

We greatly appreciate your patience as we continue to work through this and ask for your prayers for all of our church leadership.

Blessings,

Sauble Christian Fellowship Board Members
